More H1N1 Clinics Scheduled

The Coshocton County Health Department has scheduled more H1N1 clinics for **Tuesday, December 1st and Thursday, December 3rd** from 9:30 AM-11:30 AM for people who fall within the following priority groups: Pregnant women, persons who live with or provide care for an infant less than 6 month of age, health care and emergency medical services personnel who provide direct patient care, persons ages 10 to 24 years of age, persons 25 through 64 years of age with chronic medical conditions that puts them at high risk for flu complications.

The Health Department will also hold another clinic on **Wednesday December 2nd** from 3:00 PM-6:00 PM. In addition to the priority groups previously mentioned, this clinic will also provide vaccines to children 6 months to 9 years of age.
