## **SPECIFICATIONS FOR SUPPLYING TIRES COSHOCOTON COUNTY ENGINEER**

### **GENERAL SPECIFICATIONS**

The Coshocoton County Commissioners are requesting bids for tires and service calls for use by the County Engineer's Office for 2011.

All new tires must be No. 1 Grade and meet the approval of the County Engineer or his authorized agents.

This will be a **COST PLUS** bid. The County Engineer will pay the State Contract price for tires available through that program, or the bidder's wholesale price for the tire, whichever is less, plus an additional dollar amount for handling, mounting, balancing, and incidentals.

All tires must be delivered to the County Engineer's Garage at 23194 CR 621 within 24 hours of placing order, unless other arrangements are made.

The Bidder must be able to handle service calls anywhere in Coshocoton County between the hours of 7:30 A.M. to 4:00 P.M. and if needed, after hours and on Saturday or Sunday. Expected response time is within 2 hours of call.

The Bidder shall provide the following information on all purchases made at the Bidder's place of business:

- Date of Purchase;
- Description of tire purchased, or where service call was made and for which equipment the service call was for;
- Signature of employee making the purchase;
- Serial number of tire purchased;
- Copy of the invoice shall be provided to the employee at the time of purchase.

**This contract shall be from January 1, 2011 to December 31, 2011.**

## COSHOCOTON COUNTY ENGINEER

The Coshocton County Engineer's Office will spend approximately \$15,000 for various tires, tubes and service calls in 2011. Estimated quantities listed in the proposal are based upon quantities purchased during 2010 and is not a guarantee that similar quantities will be purchased. The County reserves the right to increase or decrease quantity purchased based upon actual needs without penalty or adjustment of unit prices bid. **The Price Per Item does not include the price of the tire, but it does include all other incidentals.**
