Re: Bid Recommendation: 2011 County Asphalt Resurfacing Program

Dear Honorable Commissioners:

We have reviewed and verified the three submitted bids for the aforementioned project and find no change in the unit price contract as read on May 2, 2011. We have also verified the required bid documents and deemed them to be accurate.

Based upon our review, we have determined that the lowest and best bid was submitted by The Shelly Company of Thornville, Ohio and recommend that they be awarded the unit price contract amount of \$248,881.70 for 2011 County Asphalt Resurfacing Program.

If you have any questions please feel free to contact me.

Sincerely,

Frederick T. Wachtel, P.E., P.S.
Coshocton County Engineer
