Mobility Management...

increases mobility options for residents of Coshocton County and allows for safer travel.

provides a service with the consumers' needs as the focus, offering mobility rather than transport. Having an up-to-date list of mobility options allows for quick referrals and solutions to your mobility needs. We believe mobility increases independence therefore, adding to the quality of life for our county's residents.

It is my pleasure to assist you in finding a solution for your mobility needs.

Reasonable Modifications

Individuals needing a service accommodation or modification must notify the Mobility Manager of the request. For more information regarding the reasonable modification policy or how to file a reasonable modification complaint, please contact the Mobility Manager at 740.623.2564. Attempts will be made to honor all reasonable modification requests.

Travel Training

Travel Training is the practice of teaching independent travel techniques to members of our community.

How can travel training help?

- Travel training is offered one-on-one and to groups (home visits provided upon request)
- Creates an individualized travel plan
- Teaches travel safety
- Increases independence
- Better access to NEMT appointments, shopping and trips relative to daily living needs
- Provide assistance if needed at rider's discretion
- Share knowledge of provider's agency policies
