This letter is to explain that good cause exists for the failure to file a CAUV renewal application.

During the time of renewal there was a lot going on. I was inheriting my father's land after he just passed away, which was a new experience for me and I had a lot to learn. At the same time my fiancé's father was very ill and in the ICU in Columbus and was close to death. We now have a new baby and are still continuing to remove the Russian olive bushes and brush on the land, in order to plant the timber. Also the possibilities to have livestock. We would love to remain in the CAUV.

We hope you can consider this letter in our renewal.

Thank you very much.
