Date \_\_\_\_\_

Idle property may qualify if it meets certain criteria. Land may be idle for one year with a written explanation, and can continue in the program the next year with receipts or other proof of commercial activity. The second year of being idle, the owner must show good cause before the Board of Revision. The property must return to commercial agricultural land the third year.

I, \_\_\_\_\_ (print name) hereby request  
calendar year \_\_\_\_\_ be considered an "idle" year for my property that resides in the CAUV  
program.
