Re: Recommend for Award
2020 OPWC-MVG Motor
Paving Project

Dear Commissioners:

We have reviewed and verified the four submitted bids for the aforementioned project and find no change in the unit price proposal as read on July 29, 2020. We have also verified the required bid documents and deemed them to be accurate.

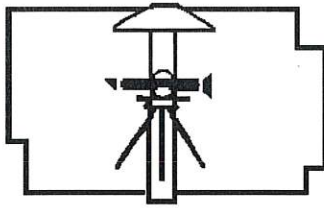

Based upon our review, we have determined that the lowest and best bid was submitted by Small's Asphalt Paving of Gambier, Ohio and recommend they be awarded the unit price contract amount of \$212,150.80 for the 2020 OPWC-MVG Motor Paving Project. This selection was based on being provided reasonable bid prices for bid tab (3) which specified the MC-800 mixing liquid which is more environmentally friendly and apparent superior product.

Should you concur with this recommendation, please take the appropriate action.

Very truly yours,
Coshocton County Engineers Office

Todd A. Coss P.E., P.S.
Deputy County Engineer
