

The drawing is a technical roof plan on a grid. A diagonal line represents the roof slope, with a vertical rise of 4 units and a horizontal run of 3 units, indicated by the numbers '4' and '3' respectively. The roof is divided into sections by a horizontal line. The sections are labeled with numbers 1 through 5. The drawing includes a north arrow pointing towards the top right. The grid is composed of 10x10 units.
