Spring 2022

## Spring Cleaning Season is Here!

As the weather warms and you start to take on Spring cleaning projects, here are a few things to remember when cleaning up sustainably!

- **Reduce** plastic waste by reusing plastic spray bottles with homemade cleaners
- Ditch the paper towels — use old t-shirts or towels instead!
- **Reuse and repurpose** unwanted items around the house.
  - An old toothbrush can be a great scrubber for hard-to-reach corners!
- **Repurpose** old boxes and containers to help organize around the house.
- **Donate** items that are fit for rehoming!
- Add a recycling bin next to your trash can to help keep unwanted items separated!
- Drop off acceptable items at Coshocton County's 12 Recyclable Drop-off sites!

## Big Coshocton Clean Up — A BIG Success!

The Big Coshocton Clean Up was held this past weekend on Saturday, April 9th. The weather left something to be desired, throwing a mix of rain, sleet, and wind at the volunteers throughout the day. But in true Coshocton spirit, around **75 volunteers** turned up to clean up an estimated:

**5 TONS OF LITTER ACROSS 10 ROAD MILES!**

An outstanding display of how the United Way and the people of Coshocton are going above and beyond to keep our community clean!
