Holiday Planning—The GREEN Way

It may seem like Thanksgiving and Christmas are far into the future. But they will both be here before we know it! So, before the holiday panic sets in, make things easier on yourself and the environment by planning ahead with sustainable choices as your schedule fills up with dinners, family events, and shopping.

WHAT CAN YOU DO AT HOME?

- Choose **reusable dishes and silverware**
- Store your food in **reusable containers**
- **Shop local** when getting gifts for family and friends
- **Ditch Styrofoam containers** like clamshells for storing leftovers
- **Shop for experiences** like spa services, auto services, or memberships.
- Look for items with **minimal packaging**
