Renfrew Property Easement

Mr. Phil Kehn attended the meeting on behalf of Mr. Tracy Renfrew to discuss the fact that Mr. Tracy Renfrew's application was accepted by the Ohio Department of Natural Resources. That does not mean that it is a foregone conclusion that it will go through. He wanted to thank the Soil and Water Board, the Commissioners and all county offices that helped him complete the application process. He stated that the Ohio Department of Natural Resources asked that they notify the County Commissioners that the application was accepted. Mr. Kehn stated that they are still uncertain as to what will happen next as they have never gone through an application like this. The Commissioners thanked Mr. Kehn for attending.
