### Discussion – Animal Shelter/Dog Tags

Mrs. Sandy Corder, County Auditor and Ms. Chris Sycks, Chief Deputy Auditor attended the meeting to discuss the Animal Shelter and Dog Tags. Mrs. Corder stated that they met with Chris Sturtz and talked about the use of the computer at the shelter. Mrs. Sturtz stated that they really don't have the time to input the sales of tags at the shelter. Mrs. Corder stated that they had instituted a policy that the tags had to be sold via satellite office with a direct link to our system. She then stated that she is looking for suggestions as to what to do to keep the satellite office open. She suggested that possibly during the months of December and January the dog wardens could assist in doing the tags. Mrs. Corder stated that her main questions is do we want to continue with the shelter being a satellite office and if so what can we do to keep it. Mr. Lee stated that we will have to take her request under advisement and get back with her. Mrs. Corder then stated that they could possibly allow the Humane Society to add \$.75 to the sale of each tag to help with the cost of providing the service. The Commissioners stated that they have no problem with them making this offer to the Humane Society. They thanked them for attending.

### Energy Grant

Mr. TJ Justice attended the meeting to discuss the County's Energy Savings Grant. Mr. Justice presented a draft contract with ESG. He asked that the Commissioners go over the draft and contact ESG with any issues. He then presented the Commissioners with an amended budget for the Energy Grant.
