vehicles at \$25,000 per year. She also stated that there is a state term contract with Ford as well as Dodge for cruisers, so we could do which-ever one the Sheriff would like. Lt. Crawford asked if there were mileage restrictions. Mrs. Schonauer stated that there is no mileage restriction. Mr. Shryock stated that just in talking, on the county side, how many vehicles does the Sheriff think they will need and on what type of time frame are they looking at. He really doesn't like to go past 5 years old on a vehicle. At this time he has a total of seven county vehicles for all three shifts. Mr. Shryock asked how he would rotate these vehicles out. Lt. Crawford stated that he would probably rotate the old vehicles to do transports. Mr. Shryock stated that we are looking at options and wondering what the Sheriff thinks about the direction we are thinking about going to. Mr. Shryock stated that it just seems like this would be an easier option to budget for. Lt. Crawford agreed. The Commissioners thanked them for attend.
