## Recycling Trailers – River View High School

Mr. Jeff Wherley attended the meeting to discuss the Recycling Trailer at River View High School. He stated that we have purchased a trailer to place at River View as a pilot program. Tim has placed locks on the trailers at River View for safety purposes. This is problematic for River View as they would like to be able to lift the bins to be able to access them. Mr. Wherley stated that safety is our first concern, but he spoke with Principle Rinkus and Mrs. Kaser and they assured that if they were given a key there would be adult supervision when these students access the trailers. The Commissioners stated that they have no issue with a trial period to determine if this process will work. Mr. Wherley stated that he will get with everyone involved and set this up and get back with the Commissioners to let them know how it is going.

## Adjourn

At 11:30 a.m. Mr. Shryock adjourned the meeting.
