Discussion – Locke Tower

Mr. Robbie McMasters attended the meeting at the request of the Commissioners to discuss the reclamation of the Lock Tower Site. Mr. Shryock asked what is happening with this process. This is the fourth time they have asked them to come in and talk with them about the progress. He stated that JD Johnson plans to take the tower down next week. He stated that William Albert will be taking out the concrete, but we do not have an estimate for that and taking the fence posts out as well. He stated that the County Maintenance will be taking the fencing down as well. Mr. Shryock stated that he needs to get the estimate from Albert and get it to Mrs. Schonauer. He then stated that this needs to be taken care of as this has been going on for over a year. Mr. Wachtel stated that the Engineer's Office does have tools and they could do this job for the Commissioners. However, he would not be able to do the work at this time. Mr. Shryock stated that they would like to have Mr. McMasters coordinate this and have it taken care of as soon as possible. Mr. McMasters assured the Commissioners he would get this taken care of. The Commissioners thanked him for attending.

At 12:00 p.m. Mr. Shryock adjourned the meeting.
