CCAO – Issue 1/Stronger County, Stronger Partnership, Stronger Ohio

Ms. Cheryl Subler, Mr. John Leutz, CCAO, Mr. Jason Given, County Prosecutor, Mrs. Susan Turner, County Recorder, Ms. Deb Bigelow, Soil & Water Conservation District, Mrs. Robin Schonauer, Budget Director, Mr. Steve Lonsinger, County Health Department, Ms. Camila Graham, Clerk of Courts, Ms. Christine Sycks, County Auditor, Mrs. Jinni Bowman, County Auditor's Office, Mr. Danny Brenneman, DJFS Director, Mr. Jeff Mullens, Public Defender and Lt. Dean Hettinger, Sheriff's Office attended the meeting. Mr. Shryock thanked everyone for attending and introduced Ms. Subler and Mr. Leutz stating that CCAO has been very helpful in the support of the counties and their loss of revenue over the last several years with the loss of the local government funds and most recently the MCO funds. He then spoke about the resolution in opposition of State Issue 1. He stated that along with the Commissioners, the County Prosecutor, County Auditor, Common Pleas Court Judge and Sheriff also signed this resolution in opposition to State Issue 1. Mr. Given then discussed State Issue 1 and how this affects the criminal justice system. He stated that this will set Ohio back several years in our progression against drug abuse. Mr. Shryock stated that the Commissioners wanted to be a force with these other elected officials in our opposition of this issue. Mr. Shryock stated that CCAO is very active in promoting the State and Local Partnership in the loss of funds the local governments have received from the State. This partnership encourages the State of Ohio to work with counties in financial commitments from the State to the counties to help make Ohio stronger. He then reviewed the loss of monies Coshocton County has had over the last several years. Mr. Shryock stated that the State has continued to put mandates on the counties and this has in turn caused the counties to ask for levies and additional taxes on local residents. Mr. Leutz stated that these issues were formed over at least 9 months of work. We recognize there will be a new governor in January and they put this brief together and presented it to both gubernatorial candidates as well as all representatives and senators to make them aware of how counties are struggling at this time. He thanked everyone for attending today. He then discussed the exploding costs of children services and the increased cost to foster care. He also talked about the burden of the opioid issue on the criminal justice system. He stated that this also causes an increase in the indigent defense cases as well. So, they are asking that the State reimburse these funds at 100%. He reviewed the MCO money losses as well as the Local Government Funds. They are also trying to look into the future to determine the need for funding issues. Mr. Shryock asked what the number of indictments are to date. Mr. Given stated as of today, it is right around 200. The highest year in the past was 189 and a typical average is right around 130-150. This is just adult indictments and not juvenile as there has been an explosive increase in Children Services cases as well. Mr. Brenneman stated that along with the drug crises, they have tripled the number of children in crisis to 52. The foster care cost has gone from \$400,000 to over 1.5 million in the last 5 years. They are at the point that they are now going to have to prioritize each case as they do not have adequate staffing. Mr. Shryock then addressed the Justice Center issue and the need for a new one. Until we were hit with the MCO loss of funds, we were in the process of hiring an engineer to start the process of building a new justice center. Ms. Sycks stated that state-wide mandates are a county-wide issue as this puts more a burden on everyone to make up these funds the State is taking away from us. She then reviewed some of the ways it has affected residents from State changes in her office. Mr. Shryock stated that if anyone would like the Commissioners to talk with any residents to make them aware of these issues, they will be glad to educate them if this would help encourage them to write their legislatures about these issues. The Commissioners thanked everyone for attending.

Meetings Attended

Mr. Shryock and Mr. Fischer attended the Open House at the County ODOT State Garage and read a commendation for Mrs. Willa Hamersley at her retirement party on October 30th.
