2022 Health Benefits Renewal Discussion

Mr. Michael Zaluski, Zaluski Insurance attended the meeting at the request of the Commissioners to discuss the rising costs of medical insurance and possible ways to save monies. Mr. Zaluski presented some possible plan changes as well as changes to the prescription plan that could possibly save the county monies. However, to date we have eaten into approximately \$600,000.00 of our 1 million dollar carryover from previous years. There has not been a premium increase nor any changes to the plan since 2014. General discussion then followed.
