Meetings Attended

CFLP 2022 Budget Review

Mrs. Tammi Rogers, Mr. Zach Fanning, Mrs. Beth Walsh and Lt. JD Hardway attended the meeting to give a CFLP Solid Waste District Update for 2022. Mrs. Rogers stated that CFLP is in the process of having some budget cuts. The budget that was anticipated for 2022 which encompasses the Sheriff and Health Department as well. She is a required budget and she is short by approximately \$15,000. The Sheriff and Health Department are not required budgets. Therefore, she has contacted those 2 entities to see if they can cut their budgets to achieve the required budget. Mr. Shryock stated that this is the first time in his years that he can remember having to request budget cuts from these two entities. He explained how the revenue comes into the Solid Waste District and why this cut is necessary. The Ohio Environmental Protection Agency (OEPA) required 2 positions the Educator and the Recycling Site Manager. This means that when budget cuts are required, it has to be from the agencies that are not required by the OEPA. Mr. Fischer then stated that it was decided by the CFLP that 2022 would be the year we tighten our budgets and in 2023 the Sheriff and Health Departments will be cut out completely. Unfortunately, we need to find \$15,000 for 2022. He stated that the Commissioners feel it is only fair to split the burden of the \$15,000. Both the Sheriff and Health Department are willing to cut their budgets by \$7,500. The Commissioners thanked everyone for attending.

Mr. Shryock adjourn the meeting at 12:00 p.m.
