January 10, 2022

“Hayrake” Presentation

Mr. Chuck Wiseman, Coshocton Sportsman’s Association attended the meeting to present the Deer, “Hayrake” to the Board of County Commissioners. The Commissioners stated that they will take ownership of the deer and will give it back to the Sportsman’s Association to display. They would also like it noted that the Convention and Visitors Bureau as well as the Chamber of Commerce have access to Hayrake to display at shows and conventions. The Commissioners thanked Mr. Wiseman for attending.

Discussion – Sheriff Jim Crawford

Sheriff James Crawford attended the meeting to discuss some issues. He presented the Commissioners with plans that he has been working on with Wachtel & McAnally on some design changes due to safety concerns he requested. The main thing coming to light was the location of the Sally Port. He would like to move the Sally Port to the center, between the Administration Portion and the Jail. This will be a much better location and allow additional staff on hand if needed. He then discussed the possibility of moving the administration portion of the building across 3<sup>rd</sup> Street. There are concerns about road frontage for Columbia Gas as well as giving them an easement around the parking lot for them. However, he is waiting to hear from the Engineer if this is viable.

Executive Session – Sheriff’s FOP Contract

At 10:33 a.m. Mr. Fischer made a motion, seconded by Mr. Conkle to go into executive session to discuss the FOP Bargaining Unit Contract. All vote aye. At 10:15 a.m. Mr. Shryock returned the meeting to regular session. No action taken.

13 Acres – Park – Franklin Township

Mr. Larry Boal, Franklin Township Trustee and Mr. Todd Drown attended the meeting to discuss a possible park that they would like to develop contiguous to Conesville in Franklin Township. It is 13 acres right across the bridge and adjacent to the former power plant. Mr. Drown presented a drone flyover of the area and discussed their plans. Attorney Drown represents the village of Conesville. Mr. Boal stated that the County Engineer, Mr. Fred Wachtel is also in favor of this park. Mr. Drown feels that we can improve our river access and it will improve our economy. They are calling this project the Joe Balo Park Project. Mr. Drown stated that the Conesville Industrial Park is in favor of this project and he feels that they will be able to make this work. He stated that they are here to ask for the Commissioners support. They are not asking for monetary donations. The Commissioners thanked them for their presentation.

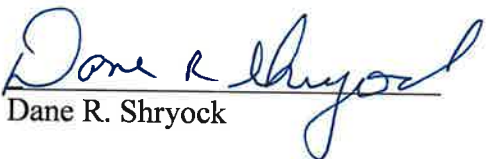

Paul Prater – Port Authority Appointment

Mr. Conkle made a motion, seconded by Mr. Fischer to appoint Mr. Paul Prater to serve an additional term on the Coshocton Port Authority.

Vote: Shryock	yea
Conkle	yea
Fischer	yea

Adjourn

Mr. Shryock adjourned the meeting at 4:00 p.m.

  
Dane R. Shryock
