Discussion-ABM Energy Savings

Mr. John Ferragnonio and Mr. Tyler Nichols from ABM Energy gave general discussion in reference to critical needs of Ohio Counties. These critical needs are in reference to upgrade to facilities and infrastructure that would allow for cost savings within our general fund. ABM would help facility and guide the county as to how they would best benefit from these updates such as, reallocating resources within our budget. 2012 was the last time a project like this was complete in our county. Mr. Fischer stated that the county was pleased with original project in the past. Several companies are currently making presentations in regards to this type of project in our county. The Commissioners could be open to this down the road as they are open to options to help reduce expenses. The Commissioners thanked the gentlemen for their time and presentation.
