Permanent Budget-Mrs. Robin Schonauer

Mrs. Robin Schonauer, Budget Director presented the Commissioners with the 2022 Permanent budget for approval. Coshocton County had a very good year in 2021 and the carry-over was \$11,660,821.00. However, we need to keep in mind at the end of December the county received a note in the amount of \$7.5 million as our ORDC grant is a reimbursable grant and our general fund does not have those type of funds to pay out the expenses to reimburse us, so therefor our carry over was inflated. However, with that being said our revenue was up in several of our revenue sources our major revenue resource of our sales tax was at an all-time high of \$6,932,047.00 which is an increase of 17.09 % in 2020. Some of the other revenue sources that saw an increase in 2021 were casino tax, local government tax and fees collected. Also, the public defender revenue was up in 2021 as we are now receiving 100 % reimbursement. With the carry over being sufficient and the anticipated revenue of \$13,451,458.00 we were able to fund the general fund departments at their requested 2022 budgets. The general fund budget will be set at \$15,867,198.00(up about \$400,000.00 from last year). The non-general fund departments will be set at \$51,672,123.00 for a total county budget of \$ 75,039,321.00.
