## Coshocton County Coordinating Transportation Updates

Ms. Valerie Shaw and Mrs. Tracy Haines from CCCTA presented the Commissioners with a three (3) projects that they are currently working on within their office. 1) Ms. Shaw stated that she is looking for additional funding sources for clients who are not eligible for their services. She gave an example of a young adult who needed a gas voucher to get to a homeless shelter in Wooster as Coshocton did not have any beds open. Typically, her agency is only able to help fund services to those on Medicaid, over 60, need a ride within Coshocton County or for medical appointments. Ms. Shaw's goal is to find a funding source that would reimburse her on those needs. 2) Ms. Shaw also would like to implement a PCA(personal aid attendant) program for individuals who have no one to help with regards to medical appointments. The hope would be that the PCA would attend any appointments as needed and would also be able to sign a client out from any services they may have had at a medical center as well. 3) Currently Coshocton CCCTA is utilizing the ODOT RCI( Rides to Community Immunity) money that was turned down by Holmes County, this money is only available until the end of 2022. ODOT reached out to Ms. Tracy Haines, Coshocton County Mobility Manager and asked if she would be willing to help with Holmes County rides such as they are now with the RCI funds. Holmes County does not currently have a CCCTA program in their county and have no plans to have one in the future as well. Ms. Tracy Haines would work as the manager for both counties (Coshocton and Holmes), such as she is doing right now, however Coshocton County then would be able to collect on the Holmes County ODOT funding to help off-set cost. They are currently working with clients in Holmes County who rely on their services for medical appointments and do not want to see those clients be under-served if they stop services in Holmes County. Additional meetings may need to happen in regards to these three (3) topics in the future.

## Records Commission

Mr. Jason Given, Prosecutor, Mrs. Susan Turner, Recorder, Ms. Camila Graham, Clerk of Courts attended the meeting. Mr. Shryock asked for the minutes of the previous meeting to be read. Mr. Given made a motion to approve the minutes as read, seconded by Mrs. Turner. All vote aye. Motion carried. Mr. Shryock asked if there were any records submitted. No, records were submitted. The next meeting will be September 14, 2022 at 10 am. That being all, Mrs. Turner made a motion, seconded by Mrs. Graham to adjourn. All vote aye. Motion carried and the meeting stood adjourned.
