Public Hearing-ODOT Grants -Coshocton County Coordinated Transportation

At 9:00 a.m. Mr. Shryock opened the public hearing for the ODOT Grant applications being submitted by Coshocton County Coordinated Transportation. Ms. Valerie Shaw, CCCTA Director was available for any questions. At 9:15 a.m. Mr. Shryock closed the hearing. No persons attended. Ms. Shaw stated that she will be applying for 1.5 million dollars in total request for the 2023 ODOT grants, \$907,762 in Federal Grants and \$593,993 in Local Grants.

Mrs. Alex Nelson-Coshocton County Recycling and Litter Prevention

Ms. Alex Nelson presented the Commissioners with a new creative idea she would like to start with local youth groups and businesses in regards to bottle cap collections. Ms. Nelson recently met with the Fairfield County Educator who brought this bottle cap idea up for discussion and the benefits that this collection could have for the county. Ms. Nelson is looking to help supply benches to the County's new Skips Landing project with the help of only bottle caps. This bottle cap collection would bring youth groups together along with the support of local business and factories to collect 200 pounds of caps plus a \$375.00 fee to make the benches from those collected bottle caps. Bottle caps are often forgotten and a little thing can go a long way with this program. The collected bottle caps would be taken to Wadsworth to Plastics R Unique for processing with a 6-8 week turn around time for completion. This company really wants the youth to be hands on with the project to help them focus on seeing the value of recycling. Once benches are ready to be placed, Ms. Nelson would purchase a plaque to place on the bench recognizing the youth group that made the bench possible with their efforts. Ms. Nelson would only be involved with this collection in help guiding and answering questions to the groups as needed. Mr. Shryock stated he would like to see five (5) benches at Skips Landing, three (3) at least from this program. Ms. Nelson is meeting with Mrs. Amy Crown, Chamber Director on Tuesday May 3, 2022 to talk further on this program.

Sheriff James Crawford Presentation of The Ohio Collaborative Certification

Sheriff James Crawford, Lieutenant Charles Udischas, Lieutenant JD Hardway, Captain Garrison Bryant and Deputy Josh were recognized today with five (5) Group Certification Awards by Mr. Tom Vaughn, Director of Special Projects with the OACP Coordinator for the Ohio Collaborative and Mr. David Arbogast, Peer/Assessor Ohio Collaborative. These certification awards were as follows: Group 1(Use of Force, Recruitment and Hiring) standards, Group 2 (Community Engagement, Body Worn Cameras, Telecommunicator Training) standards, Group 3 (Bias Free Policing, Investigation of Employee Misconduct) standards, Group 4 (Vehicular Pursuit) standard and Group 5 (LE Response to Mass Protests/Demonstrations, Agency Wellness Standards) standards. This Certification serves as a reminder of your agency's commitment to law enforcement and the community it serves. Sheriff Crawford stated achieving these certifications has been a year in the making, with a lot of work put in by everyone involved with weekly meetings and numerous policy and standard updates. Mr. Vaughn stated that Coshocton County Sheriff's office is only 1 of the 7 in the state that has fully completed all standards. Sheriff Crawford stated that the Command Staff was instrumental in getting everything accomplished.

Sheriff Crawford stated that corrections were made as they became aware of them, making the process easy. The last two (2) standards were not due until next year. Sheriff also stated the new Lexipol has 186 policies that needed to be edited to become compliant with this program, which was done with the help of Lieutenant Udischas. Lieutenant Udischas was then able to send these updated policies out to the employees for acknowledgement, which was instrumental for all employees to become aware of. Sheriff Crawford also thanks the Commissioners for funding the Sheriff's office.
