Ohio TT Update

t 11:00 a.m. Mr. Kyle Yoder, Mr. Matt Armstead, Mr. Justin Embrey and Mrs. Megan
vamme, all with OhioTT presented the Commissioner's with an update in regards the coun
ide internet project. Mr. Armstead was happy to report 7 towers(Millcreek, Headstart, Fres
onesville, Stewart and Cr 55 and Nellie) are now official up and running, additionally the
(Blissfield, New Castle and White Eyes) remaining towers are being worked on to acquire
eeded tower space. Mr. Shryock noted that Ohio TT has put in a lot of work on this project
e is pleased with their dedication for the good of the community. Mr. Yoder stated that they
ceiving positive feedback from those who are using their service currently as those early
dopters were happy with the speed of service they were receiving. As of this morning, 100
households have called in to the 800 number or registered their address online to inquire abo
internet service. Additionally, OhioTT is working to find ways to help fill the gaps in service
where addresses are not able to be serviced by any of the towers, those gaps may include
installing mini or micro towers in locations that can communicate with one of the main tow
tc. However, Mr. Armstead reported that with the towers they have up and running and the
additional three(3) towers, 2/3 of county residents will be able to have internet service. Ohi
s working with businesses as well to offer them internet service and they will offer a busin
er package(500+ megs) to those who are interested. OhioTT will be partnering with both
Roscoe and Lake Park to offer service in those areas to the community and visitors as well.
Lastly, Mr. Armstead announced that OhioTT was approved to provide free monthly intern
service to those under-served students in the county who would qualify through the Afforda
Connectivity Program(ACP) with the Federal Government.
