At 9:00 a.m. Mrs. Susan Craddock, Executive Director and Mrs. Heather Duling, CFO both with with Coshocton County HeadStart spoke with the Commissioners in regards to excess ARPA /Covid funding that their organization has available to spend at their facility. Mrs. Craddock stated that the need they would like to see meant would be additional parking. She also stated that more parents are transporting their children to school due to the lack of bus transportation and this causes excess cars to build up in the parking lot as well as in the drive. Additional, HeadStart has tried to obtain three(3) estimates for the work to be done, however, only Albert Excavating has turned in a completed estimate for the work to be done.
