One Ohio Update

Mrs. Leonard Davis from Probate/Juvenile Court presented the Commissioners with an update in regards to One Ohio. Mrs. Davis stated she was the only one in attendance at the February 24th from Coshocton County so she wanted to keep the Commissioners updated on the discussions that were had. Mr. Brad Peoples took over the position of Mrs. Carly Fitz as the new representative for Buckeye Hills, region 12. Additionally, Buckeye Hills will continue to be the agent for the board. The board has decided to meet quarterly instead of twice a year as they had previously discussed. Mrs. Davis said that the board members realize that it is difficult for everyone to attend all meetings, so they have discussed that each member should have an alternate that could come in their place if needed. Mrs. Davis would like to have Mrs. Heather Guilliams from Common Pleas as her alternate if the Commissioners were in favor of that. Mr. Shryock said that he is ok with that decision, Leondra will reach out to Heather to find out if she is willing to represent the community. Mayor Don Mason is the representative for the One Ohio Foundation, they have applied for their 501C and hired Mr. Jim Quinn as their CFO. The first allocations of monies will be 54 million dollars and should go out by the end of the year, 10% will go to the state for overhead. The allocations will take place over an 18-year period with monies decreasing each year. A grant committee has been set up to review RFP's, additionally they will also score those RFP's accordingly to find out how funds will be disbursed out to them. Mrs. Davis said that as a region we need to focus on projects that will help all of us as one, such as the limited spaces available for drug treatment or mental health facilities. Mr. Shryock said he appreciated her attendance of the meetings as well as the updates she gave them today.
