Personnel-Mr. Robbie McMaster

At 9:00 a.m. Mr. Robbie McMasters attended the Commissioners meeting to discuss personnel hiring with the resignation of Mr. Troy Cole. Mr. McMasters began stating he would like to hire a new deputy director to replace Mr. Cole, as this would be a second person to assist the office with all EMA needs. Mr. Shryock stated that he had Mrs. Beck reach out to other counties like/similar to Coshocton to find out how their EMA office is staffed in employees/hours/jobs. Mr. Shryock wondered if hiring a part-time administration assistant would be sufficient as this time? Mr. McMasters stated a fulltime person would be optimum, however a parttime administrative assistant would also offer great help with paper that is needed with CORSA, LEPC Grant funding, etc. Mr. McMasters also stated that Muskingum County EMA is able to help cover all EMA needs in Coshocton County with his upcoming summer vacations. Mr. Bigrigg asked what the qualifications were for EMA, to which Mr. McMasters stated pursuant to Ohio Revised Code (ORC) counties are responsible to have an EMA, however there are no guidelines for an employee of the EMA. Mr. Shryock stated he would like to advertise for a part-time administration assistant, and see how that is moving forward with the work load and possibly re-evaluate at a later time. Mr. McMasters is feels comfortable with this path and will work with Mrs. Beck for advertisement of the job.

Meetings Attended

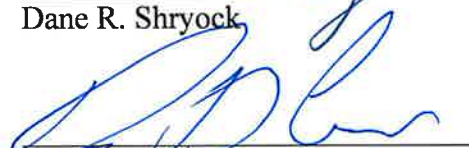

On Tuesday, June 18th Mr. Shryock attended the Muskingum Watershed Conservatory District (MWCD) meeting at Dawes Auditorium to discuss planning/funding. On Wednesday, June 19th Mr. Shryock along with Mrs. Beck meet with Mr. Robert Simpson and Mr. Dewey Thompson at Skips Landing to examine the progress that has been made in that area as well as to talk about future development in the area. Thursday, June 20th Mr. Shryock attended the Airport meeting and then the Coshocton County Coordinated Transportation Agency (CCCTA) quarterly advisory meeting.
