Discussion meeting with Valerie Shaw, CPT Director

Ms. Valerie Shaw, Director of CPT, Brad Fuller, Tiffany Swigert, Becky Porteus, Mayor Mark Mills, Max Crown and Clarrisa Roof attended the meeting. Ms. Shaw to discuss wanting to set up a Community Fund for Charter services for special events. Those in attendance had requested charter services in the past for their events. Ms. Shaw explained that she is unable to use federal dollars for a charter event. She explained that if she sets up a special fund with donated funds she would be able to provide the Charter services. She would need to have the funds in her account before the event takes place. She would use the fund to pay for a driver, gasoline and vehicle maintenance. She has 2 of her older buses and a van that she leases from the Veterans that she can use for the Charter service. Mayor Mills stated that the City could possibly be able to donate funds to the fund. Commissioner Shryock agreed that the County could also contribute funds. The Mayor stated that the funds should only be used for non-profit organizations and no private event. It was agreed that this would be the best why to move forward with her Charter Service. On another topic Ms. Shaw mentioned that CPT has started Saturday service for dialysis patients. She also stated that they have officially changed their name to Coshocton Public Transit. She has 8 new buses that will be wrapped with the new logo once funds become available. She will not re-label her current fleet do to the cost. They have also upgraded their website so that riders can now book on line and reschedule their rides. The Commissioners thanked her for attended.

Discussion-New Justice Center

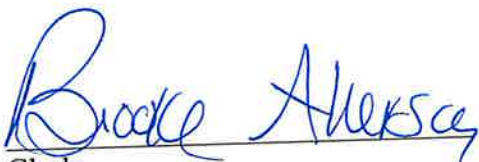

Sheriff Crawford and Lieutenant Charles Udischas to discuss needs for the new Justice Center. Lieutenant Udischas presented the Commissioners with 4 items for consideration. The new Justice Center needs to purchase a new body scanner as the old scanner will be out of warranty in March. He stated that for safety reasons it would also be difficult to continue to book prisoners in the old jail if they moved the existing scanner. The cost for the new scanner, warranty and software is \$253,750.00. Mr. Shryock asked for a vote on the purchase of the new scanner with the use of contingency funds from the bond funds for the new facility. All voted aye. Lieutenant Udischas also requested Emergency Medical response equipment, 3-AED Lucas Devises and a stair chair for \$35,937.04, he stated that the new AED machines are plug and play with our EMS Ambulances. He would also like to purchase cleaning supplies in the amount of \$36,176.82. These supplies should last 6 months to a year. The supplies will be in 55-gallon drums. Commissioner Shryock asked if they could use their Commissary fund for the AED Machines and the cleaning supplies. Sheriff Crawford said that they could use their special fund for these purchases. Lieutenant Udischas then stated that when designing the new Justice Center, they forgot to include a weapons locker at the entrance for deputies. The cost for the new locker is \$4,041.78, Sheriff Crawford stated that this request can be funded with the FF&E funds. The Commissioners agreed that the FF & E funds could be used for this item. Lieutenant Udischas stated that he will be contacting CORSA to see if they have a grant available to help offset the cost of the body scanner. Commissioner Shryock thanked them for attending.
