**Mobility Ohio-Ms. Valerie Shaw, Coshocton Public Transit Director**

At 9:00 a.m. Ms. Valerie Shaw, Coshocton Transit Director, Ms. Tracy Haines, Mobility Manager, Mr. Howard Stewart and Ms. Andrea Lang both with South East Area Transit attended the Commissioners meeting to discuss the Mobility Ohio Pilot Program in Coshocton County. This pilot program will be in conjunction with surrounding counties. This program will allow Coshocton County to partner with surrounding counties for transportation needs. A goal of this program is that none of the counties will lose any current contracts with private drivers. While this program will some calls through a call center, local control of public transit will remain the same under Coshocton Public Transit. Additionally, ride share and consolidated transportation with other counties will help everyone's transportation needs. A lot of work will happen over the next 2-years, in stages, however the positive will be seen in rider availability. Mr. Shryock asked if anything was needed out of this office, to which Ms. Shaw stated, no, this is just an informational meeting. Additionally, it was stated nothing locally should change that only more access could be had for riders. Trips that may have been denied the past, another county may be able to pick up that trip now with this pilot program. Mr. Shryock stated the Ms. Shaw has taken Coshocton Public Transit program and has expanded it to what it is now with little help and appreciates the information about this new pilot program as well.
