Family Pact Discussion, Mr. Jed McCoy, Mr. William Johnson and Mr. Steve Champagne

At 9:00 a.m. Mr. Jed McCoy, DJFS Director, Mr. William Johnson and Mr. Steve Champagne, both from Family Pact and Mr. Chad Lawrence, IT Director attended the Commissioners meeting to discuss the Family Pact location aka the Wortman Home. Mr. Shryock began by talking about the old Justice Center location and what may come of this site when the new Justice Center is up and running. An idea that has been talked about is turning the area of the old Jail and Prosecutors office into a parking lot. Currently over 28 employees work at the Coshocton Courthouse, these employees are utilizing parking spaces on Main Street. If a new parking lot was built in the area of conversation, this would allow alleviate the parking issues on Main Street and help the Main Street businesses as well. The Wortman Home has internet capabilities currently coming in from the Prosecutors office, once that building is demolished the Wortman Home would be without internet service, however Mr. Lawrence stated he would be able to have a wireless connection for that building added if needed. Mr. Shryock stated he realizes the home is used for certain reasons and has a purpose. Mr. McCoy said the usage of the home goes further that just DJFS and Family Pact. DJFS utilizes the home for visitations but the courts use the home as well. The services offered at the home need to be maintained for the county. Mr. Shryock is not looking to do anyway with the services. Mr. Johnson said that Family Pact has been in that location for 16 years and currently have 4 employees. The home offers services Sunday through Friday from 8 a.m. until 8 pm for supervised visitations and parent-education classes, additionally Mr. Johnson said that the Wortman home is one of only 3 visitation centers in the area, servicing families from surrounding counties as well. The home also provides mediation services for DJFS, Common Pleas Court as well as Juvenile Court in 2-hour long sessions. To date in 2024 the home has had 315 visitations. Mr. Johnson is open to moving locations if the needed space is provided for the employees as well as clients. Having a handicap accessible facility would be a great benefit as well in the future. Mr. Shryock stated that there are no immediate plans to tear down the area just yet, he just wanted to start the conversation for future needs. Additionally, Mr. Shryock said there may be room for the needed space and services for Family Pact at the County Services location in the future as negations are currently being discussed with Farm Services. Mrs. Beck, County Administrator will schedule a time to walk through the County Services location with Mr. Johnson and Mr. Champagne to discuss if that location may meet their needs. Mr. McCoy is in favor of the move for Family Pact to County Services as he stated this would be a great collaboration of all services with DJFS, FCFC and Family Pact. Mr. Champagne stated in closing that Family Pact is an important program needed in the county to keep families together and he thanked the Commissioners for taking the program seriously. Mr. Shryock thinks that Mr. Johnsons credibility and respect in the community is well received and appreciated by all.
